OUR FOOD BANK DRIVE:

We are collecting cans and boxes of non-perishable food for our local Hopelink. Please let your child help select what you want to contribute, but of course, you can add lots of other items! Let's see how much we can give! And yes, besides tangible food, you can also donate money to Hopelink!

NOTE FOR FRIDAY, 11/18:

This is 1 small item which represents your family's heritage, culture, or is important to your life together. We hope you can have a conversation at home about the item and things that make your family special. But just in case your child may not want to talk much about this, please include a brief description of how it's used or why it's important. Everything will go home at the end of the day. And we don't recommend fragile items!
