

KIRKLAND PRESCHOOL

... Early education, where children learn by doing

Dear Friends,

I would like to introduce you to Kirkland Preschool, a non-profit school that has been a part of the Kirkland community for over 45 years. Kirkland Preschool takes pride in offering the best early childhood education possible. I believe strongly in this school's philosophy and am proud to send my child there.

Kirkland Preschool strives to keep tuition affordable for all families as well as offering scholarships to families in need. The low tuition does not cover the operating costs of the school, so to cover the gap we are holding a fundraising auction. This year our auction will be held on December 3, 2016. Proceeds from the auction will go towards scholarships for families in need of tuition assistance and towards a multi-year fundraising effort for new windows.

Kirkland Preschool believes that to keep a community strong and successful, everyone must help each other. To thank the community for its strong support over the years, Kirkland Preschool is involved with events such as the Norkirk Neighborhood annual picnic and SummerFest. Kirkland Preschool also remains active with other community involvement by making contributions to other local schools, holding annual donation drives for causes such as HopeLink, The Humane Society, and Seattle Children's Hospital.

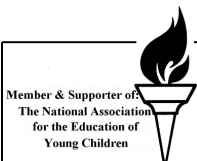

We are asking you to please consider donating an item to our auction that will take place on December 3, 2016. Kirkland Preschool is a 501 c 3 non-profit organization, therefore your donation is potentially tax deductible. The school's federal tax identification number is: 91-1153497.

Your support will greatly help our community's children and families. We greatly appreciate your help with our fundraiser, so Kirkland Preschool can continue to provide wonderful learning experiences for the children of our community and offer scholarships to families in need.

Thank you for your consideration of this request. I hope you will be able to support Kirkland Preschool this year. I look forward to following up with you regarding this letter shortly.

Sincerely,

Kirkland Preschool Parent
